## SIGNATURE BUBBLE WAFFLE

The secret of the unique taste of our waffles is very simple: the natural ingredients & the shape. The egg waffle, as it's known (because of the round sections that look like little eggs), is one of the more popular street foods in Hong Kong. Fun fact, these waffles happen to be gluten-free!

## GLUTEN-FREE CREPE

Inspired by a unique Parisian tradition, the recipe & shape originated in France. We bring the concept to the (920) & make them gluten-free so that you can experience & savor this delectable creation locally.
